RE: Amended October Quarterly Report

Enclosed, please find an amended 2009 October Quarterly report for the Portman for Senate campaign committee. This amendment serves to correct the following error which was made on the report:

\$250 in contributions was inadvertently input two times and was not detected until the October bank statement was reconciled. Because of this error, the report reflected an additional \$250 in contributions received. This error is corrected and the totals are adjusted accordingly.

Please do not hesitate to contact me at 614/563-1538 with any questions you may have.
